After checking your list with a partner, write a ½ - 1 pg. script using a variety of 90's slang words (at least 6) about one of the following common 90's scenarios:

1. Two friends are on their way to buy their 1st cell phones ever!
2. Two friends are on their way to pick out a new game for their Sega Genesis.
3. A group of friends are on their way to a Backstreet Boys concert.
4. A group of friends are discussing the latest "Friends" episode they watched the night before.

Example:

Brett: Hey, I heard that the new Sonic game be slammin'!

Carl: Yeah! I'm wiggin' out! How many dead presidents do you have?

Brett: I'm a little low on cheddar right now. Let's go back to my crib and see if we can find some.
